## A 10x10 grid of colored squares. The top 5 rows are blue, the next 5 rows are orange, and the bottom 5 rows are green. The grid is composed of 10 columns and 10 rows, totaling 100 squares. The colors are arranged in three distinct horizontal bands: blue (rows 1-5), orange (rows 6-10), and green (rows 11-15).
